DEFINED BENEFIT SUPPLEMENTAL INCOME PLAN

Nonqualified defined benefit plan with no reduction in compensation; contributions from employer only; also called a SERP (Supplemental Executive Retirement Plan)

Background Information:

- *This nonqualified deferred compensation plan is a defined benefit, supplemental income plan, where the employee/Executive does not elect to reduce any portion of current compensation, but the Employer provides supplemental benefits to be paid at a future date.*
- *This Plan calls for the Executive to receive monthly payments – the amount is put forth in the Participation Agreement at the end of the Plan – beginning after retirement at age 65.*
- *This sample Plan also calls for the Executive to be vested after 5 years, after which time he could quit and nonetheless receive monthly payments that begin shortly after quitting, but the size of the payments is a fraction of the size they would have been if he had remained working to age 65.*
- *If the Executive dies while working, this sample Plan calls for monthly payments to begin shortly after death.*
- *This nonqualified deferred compensation plan generally would be considered to be a “pension plan” under the Employee Retirement Income Security Act of 1974 (ERISA). Nonetheless, because this plan is designed for Executives who qualify as select management or highly paid, and because the plan is unfunded and unsecured (a so-called Top Hat plan), the ERISA requirements are generally few:*
 - *The employer must send an alternative reporting and disclosure statement (a short letter) to the Department of Labor (DOL) within 120 days of creating the plan;*
 - *The plan must contain certain “fiduciary” and “claims procedure” provisions (they are included in Section 9 of this sample document).*
- *This nonqualified deferred compensation plan also generally must comply with Internal Revenue Code (IRC) § 409A (the statute’s application is not limited to salary reduction / elective deferred compensation plans).*

This sample document is intended only as guidance for the client's own legal counsel. The document is general in nature and does not reflect the specific circumstances of any individual or situation. The document does not constitute tax or legal advice and cannot be used to avoid any penalties that may be imposed on a taxpayer. It is intended that the client's legal counsel will modify the document where necessary to satisfy the client's objectives and the requirements of any applicable federal, state or local law. Northwestern Mutual does not guarantee the effectiveness of this document and is not responsible for any tax or legal consequences resulting from use.

SAMPLE DOCUMENT

- *If the Employer intends to own a life insurance policy to informally fund the benefits of this plan, the employer and employee generally should satisfy the “notice and consent” requirements of IRC § 101(j) before the policy is issued, in order to avoid income taxation of death benefit.*

DEFINED BENEFIT SUPPLEMENTAL INCOME PLAN

Nonqualified defined benefit plan with no reduction in compensation; contributions from employer only; also called a SERP (Supplemental Executive Retirement Plan)

1. Establishment and Purpose of Plan

1.1 Establishment and Duration of Plan. The Board of Directors of [Name of Employer], a [State of Employer] corporation [or limited liability company or partnership, or however organized] (“Employer”), hereby establishes this defined benefit Supplemental Income Plan of [Name of Employer] and its successors, effective as of the _____ day of _____, 20____. By executing a Participation Agreement, an Executive agrees to the terms of the Plan. The Plan shall continue until terminated by the Board of Directors of the Employer.

Comment: Nonqualified Deferred Compensation (“NDQC”) plans may be adopted by a variety of entity types – such as S corporations, limited liability companies and other unincorporated business forms. However, “partners” (including greater than 2% shareholders of an S corporation) cannot avail themselves of the tax deferral benefits of NDQC plans.

1.2 Purpose of Plan. The purpose of this defined benefit Supplemental Income Plan is to provide the Executive with benefits upon retirement, termination of employment, or death, as provided herein.

2. Definitions

2.1 “Beneficiary” means the person or persons who are designated by an Executive, in his or her Participation Agreement, to receive payments under the Plan after the Executive’s death.

2.2 “Death Benefit” means, with respect to any Executive, the amount listed as such on such Executive’s Participation Agreement. Nevertheless, if the Executive dies as a result of suicide within [one (1) year] of his or her Entry Date, the amount of such Executive’s Death Benefit shall be zero (0).

Comment: *The Death Benefit is zero if the Executive commits suicide within 1 year of entering into the Plan because, to the extent the Employer purchases a life insurance policy to informally fund the benefits provided by this Plan, the policy’s “suicide clause” will likely prevent it from paying its death benefit if the insured commits suicide within 1 year of policy issuance. The practitioner should make sure that this provision is coordinated with any insurance policy intended to informally fund this benefit.*

- 2.3 “Early Retirement” means the termination of the Executive’s employment for any reason other than death prior to Normal Retirement Age, but only if such termination occurs on or after the 5th anniversary after the Executive’s Entry Date.

Comment: *This definition essentially makes it so that this plan vests (i.e., the substantial risk of forfeiture disappears) only after the Executive has worked at least five (5) years after entering into this Plan. The parties are free to change this vest date so that it occurs earlier or later. Alternately, the parties could eliminate the payment of any Early Retirement Benefits, so that no benefits are payable unless and until the Executive works to age 65 or dies while working before then. The parties could also keep the 5-year vesting period, but make it so that no benefit is payable if the Executive’s employment is terminated “for cause,” such as being terminated for theft or dishonesty, even if that termination occurs more than 5 years after the Executive’s Entry Date.*

- 2.4 “Early Retirement Benefit” means an amount equal to such Executive’s Normal Retirement Benefit multiplied by his Years of Service Fraction.

Comment: *See the definition of “Years of Service Fraction,” below. In effect, as soon as the Executive enters into this plan, he or she begins to evenly accrue benefits, but they are payable only once the Executive has remained employed for at least 5 years after entering into this Plan.*

- 2.5 “Early Retirement Date” means the first day of the month following the month in which the Executive’s employment with the Employer is terminated as a consequence of his or her Early Retirement.

- 2.6 “Employer” means [Name of Employer], a [State of Employer] corporation [or limited liability company or partnership, or however organized], or any successor thereto and its subsidiaries.

- 2.7 “Entry Date” means the effective date as of which an Executive first executes a Participation Agreement under the Plan.

- 2.8 “Executive” means [name of employee participating in this plan]. Executive is among the Employer’s management and/or highly paid employees within the meaning of the Employee Retirement Income and Security Act of 1974 (ERISA).

- 2.9 “Fiscal Year” shall mean the twelve (12) month period beginning on January 1 of each year.

- 2.10 “Normal Retirement Age” means, with respect to each Executive, the date on which he or she attains the age of sixty-five (65).
- 2.11 “Normal Retirement Benefit” means for any Fiscal Year, with respect to any Executive, the monthly amount designated as such by the Board of Directors of the Employer and listed as such on such Executive’s Participation Agreement.

Comment: *The “Normal Retirement Benefit” contemplated here is a fixed monthly benefit. If instead it is to be computed in accordance to a formula, then the formula could be stated here, or could be listed on an Executive’s Participation Agreement.*

- 2.12 “Normal Retirement Date” means, with respect to each Executive, the later of the first day of the month following the month during which he or she attains Normal Retirement Age or the first day of the month following the termination of Executive’s employment with the Employer after attainment of his Normal Retirement Age.
- 2.13 “Participation Agreement” means the agreement executed by the Executive upon being admitted to the Plan. The Participation Agreement shall be an integral part of the Plan with respect to the Executive who executes such Participation Agreement.
- 2.14 “Plan” means this Supplemental Income Plan of the Employer and its successors as described herein as the same may hereafter from time to time be amended.
- 2.15 “Year of Service” means, with respect to each Executive, each Fiscal Year following such Executive’s Entry Date during which such Executive is actively and continuously employed by the Employer on a full-time basis. Nevertheless, for the first year during which an Executive participates in the Plan, he or she shall accrue a Year of Service if he is actively and continuously employed by the Employer on a full-time basis from his or her Entry Date until the end of such Fiscal Year. The Executive can accrue Years of Service during the first five (5) years after his or her Entry Date, even though benefits would normally not be payable if the Executive were to terminate employment in those first five (5) years.
- 2.16 “Years of Service Fraction” means, with respect to each Executive, at any time, the number of Years of Service then accrued by such Executive, divided by the number of Years of Service such Executive would accrue if he or she were actively and continuously employed by the Employer on a full-time basis from his or her Entry Date until his or her Normal Retirement Age.

Comment: *This definition is used to compute “Early Retirement Benefits.” See Section 2.5 and the Comment thereto.*

3. Payment of Benefits

- 3.1 If an Executive is actively and continuously employed by the Employer on a full-time basis from his or her Entry Date until he or she attains Normal Retirement Age, then the Employer will make a series of payments to the Executive, each such payment to be equal to the Executive's Normal Retirement Benefit. The first such payment shall be made on the Normal Retirement Date and the remaining payments shall be made on the first day of each succeeding month until [Total Number of Monthly Payments to be Provided] total payments have been made.
- 3.2 In the event of an Executive's Early Retirement—which can occur no sooner than 5 years after the Executive's Entry Date into this Plan—the Employer will make a series of payments to the Executive, each such payment to be equal to the Executive's Early Retirement Benefit. The first such payment shall be made on the Executive's Early Retirement Date and the remaining payments shall be made on the first day of each succeeding month until [Total Number of Monthly Payments to be Provided] total payments have been made.

Comment: *If the Employer is a publicly traded company and the Executive is a key employee as defined in § 416(i) of the Internal Revenue Code, the plan document should provide that the payment of benefits must be postponed for six (6) months after termination of employment in order to comply with rules under § 409A.*

- 3.3 If an Executive's employment with the Employer is terminated on account of his death and neither such Executive nor his Beneficiary is entitled to benefits under either Section 3.1 or 3.2, then the Employer will make a series of payments to such Executive's Beneficiary, each such payment to be equal to the Executive's Death Benefit. The first such payment shall be made on the first day of the month following the Executive's death and the remaining payments shall be made on the first day of each succeeding month until [Total Number of Monthly Payments to be Provided] payments have been made.

Comment: *The immediately preceding provision describes the benefit provided by this agreement if the Executive's employment is terminated due to death. The monthly amount payable here is put forth on the Participation Agreement and doesn't necessarily have to be related to the amount of the Normal Retirement Benefit.*

Comment: *If the employer also provides a separate split dollar plan to the Executive through an Employer-owned life insurance policy, this supplemental income plan might want to provide a smaller amount, or no amount, payable at death. This is particularly true if the life insurance policy is meant to informally fund the death benefit under this*

© 2020 Northwestern Mutual is the marketing name for The Northwestern Mutual Life Insurance Company (NM), Milwaukee, WI and its subsidiaries. Client's legal counsel is authorized to use, amend and modify this sample document in his or her own practice.

supplemental income plan, as the Employer likely will not want to be obligated to pay total benefits under the two plans that exceed the total death benefit provided by the life insurance policy. The Employer should generally also make sure, however, that it's not the case that any taxable benefit owed under this supplemental income plan is being reduced in exchange for the providing of a welfare benefit – which generally includes a split dollar plan – as Treasury Regulation § 1.409A-2(b)(2) states that doing so would be treated as a taxable payment under the deferred compensation plan anyway.

Comment: *The above provisions also state that, if a Beneficiary dies before receiving all payments, the remaining payments will be made to the Beneficiary's estate. Usually, a married Executive names his spouse as Beneficiary. The value of the benefits paid to the spouse/Beneficiary generally will qualify for the estate tax marital deduction (for the Executive's estate) if payments due after the later death of the surviving spouse are payable to this spouse's estate. There are other alternatives for qualifying the benefits for the marital deduction, such as providing the surviving spouse a general power of appointment or electing to treat the benefit as qualified terminal interest property (QTIP).*

- 3.4 If the Executive dies before all the payments due to him or her under any of the foregoing sections of this Article 3 have been made, the remaining payments shall be made to the Executive's Beneficiary. If the Executive's Beneficiary dies before receiving all the payments due to him or her, then the remaining payments shall be made to the personal representative of the Beneficiary's estate.
- 3.5 If, at the death of the Executive, there is no properly designated living Beneficiary, or, if the Beneficiary is an entity (e.g., a trust) and such entity is not then in existence, then any payments due under this Plan shall be made to the Executive's estate.
- 3.6 Sections 3.1 through 3.5, above, constitute the only conditions under which benefits are payable under the plan.

Comment: *Internal Revenue Code § 409A also allows for payments to be made upon disability, change of ownership or control of the Employer, at a specified time, or upon the occurrence of an unforeseeable emergency. If a plan includes any of these allowable distribution triggers, the plan document should incorporate the specifications set forth in the Internal Revenue Code § 409A and its corresponding regulations.*

Comment: *In the event that a SERP fails to satisfy the requirements of § 409A, the Executive sustains a number of adverse consequences, namely: (i) inclusion of the deferred compensation is accelerated into the earliest open year, (ii) a 20% penalty tax is payable, and (iii) penalty interest (an additional 1% over the underpayment rate) is payable. Against this background, a sophisticated Executive is likely to negotiate for*

some sort of indemnification—especially where the Employer retains broad power to amend the Plan in a manner that could cause a failure. Below is a sample tax indemnity provision.

[____. Special Tax Indemnity. The Employer shall pay over to Executive an additional amount such that, when such additional amount is taken into account, the net amount retained by the from the payments under this Agreement, after taking into account the Executive’s obligation to pay all taxes attributable thereto under § 4999 or § 409A(a)(1)(B) of the Internal Revenue Code (the “Special Taxes”) and the additional federal and state income taxes attributable to the inclusion of the additional amount itself (together with interest and penalties thereon), shall be equal to what such net amount retained would have been if none of the Special Taxes had been applicable. In calculation the additional amount payable under this subsection (g), the Executive shall be deemed to pay federal and state income taxes at the highest marginal rates.]

Comment: *While the consequences of a § 409A problem appear to fall almost entirely on the Executive, there are some consequences for the Employer that are less obvious, but still very important. Specifically: If and when there is acceleration of the compensation into the earliest open year, the Employer would be regarded as having had a withholding obligation on the entire present value of the stream of payments for that year. Since this withholding would not have occurred, the Service would look to collect this amount —plus interest (and, perhaps, penalties)—from the Employer. The Employer would then be left to its remedies to recover the later year withholding that it did pay by filing a Form 941X.*

4. Rights and Duties of Executives and Beneficiaries

- 4.1 No Executive or any other person shall have any interest in any fund or in any specific asset or assets of the Employer by reason of this Plan, or for any other reason, or have any right to receive any distributions under the Plan except as and to the extent expressly provided under the Plan. Any person entitled to a payment under the Plan is a general unsecured creditor of the Employer.
- 4.2 Each Executive shall receive an updated copy of the Plan and shall receive copies of any amendments to the Plan within ten (10) days after their adoption.
- 4.3 No right of any Executive or any Beneficiary or any other person to receive payment hereunder shall be subject to alienation, transfer, sale, assignment, pledge, attachment, garnishment, or encumbrance of any kind. Any attempt to alienate, transfer, sell, assign, pledge, attach, or otherwise encumber any such payments whether presently or hereafter

payable shall be void. No payment under this Plan shall be subject to debts or liabilities of any Executive or Beneficiary.

- 4.4 Every person receiving or claiming payments under the Plan shall be presumed to be mentally competent until the date on which the Employer receives a written notice in a form and manner acceptable to the Employer that such person is incompetent and that a guardian, conservator or other person legally vested with the interest of his or her estate has been appointed. If guardian or conservator of the estate or any person receiving or claiming payments under the Plan is appointed, payments under this Plan may be made to such guardian or conservator provided that the proper proof of appointment and continuing qualification is furnished in a form and manner acceptable to the Employer. Any payments so made shall be a discharge of any liability of the Employer for such payments.
- 4.5 Each person entitled to receive a payment under this Plan, whether an Executive, Beneficiary, a guardian or otherwise, shall provide the Employer with such information it may from time to time deem necessary or in its best interest in administering the Plan. Any such person shall also furnish the Employer with such documents, evidence, data or other information as the Employer may from time to time deem necessary or advisable.

5. Duties of the Plan Administrator

- 5.1 The Plan shall be administered by the Plan Administrator.
- 5.2 The Secretary of the Employer is hereby designated as the Named Fiduciary and Plan Administrator of this Plan.
- 5.2 The Plan Administrator may from time to time establish rules and regulations for the administration of the Plan and adopt standard forms for such matters as elections, beneficiary designations and applications for benefits, provided such rules and forms are not inconsistent with the provisions of the Plan.
- 5.3 All determinations of the Plan Administrator shall be binding on all parties. In construing or applying the provisions of the Plan, the Employer shall have the right to rely upon a written opinion of legal counsel, which may be independent legal counsel or legal counsel regularly employed by the Employer, whether or not any question or dispute has arisen as to any distribution from the Plan.
- 5.4 The Plan Administrator shall be responsible for maintaining books and records for the Plan.

6. Amendment

© 2020 Northwestern Mutual is the marketing name for The Northwestern Mutual Life Insurance Company (NM), Milwaukee, WI and its subsidiaries. Client's legal counsel is authorized to use, amend and modify this sample document in his or her own practice.

- 6.1 This Plan may be amended, modified, terminated or discontinued by, and only by, a written instrument signed by all of the parties; *provided, however*, that any such amendment may not cause the Plan to violate Section 409A of the Internal Revenue Code or its corresponding regulations.
- 6.2 Additionally, no such amendment shall have the effect of reducing the amount of the Executive's Normal Retirement Benefit below the amount of his Early Retirement Benefit, computed as of the date of such amendment.

Comment: *Internal Revenue Code § 409A generally prohibits payments to occur earlier than originally called for in the plan, and permits the postponement of payments only if certain requirements are met (generally, any amendment or election to delay payment must occur at least 1 year before the first payment is scheduled to be made, and the new payment date must be at least 5 years later than that which was originally scheduled). There are exceptions to the rules against accelerating payments, including those under the "termination and liquidation" exception or in the event of an unforeseen financial hardship suffered by the Employee, but only if several technical requirements are met. Interested readers should consult IRC §§ 409A(a)(2) and (4); Treas. Reg. §§ 1.409A-1(c)(3)(iii), -2(b)(1), and -3(j)(4)(ix)(C).*

Comment: *While the default provision would require the written approval of Employer and all Beneficiaries to effect an amendment, another alternative is to state that the Employer can unilaterally amend the Plan so long as such amendments would not run afoul of IRC § 409A. In such a case, this Amendment section could read as follows: "The Employer reserves the right to amend the Plan at any time and for any reason, provided that such amendment will not cause the Plan to violate Section 409A of the Internal Revenue Code or its corresponding regulations."*

7. Not a Contract of Employment

- 7.1 This Plan is not a contract of employment between an Executive and the Employer. No provision of this Plan restricts the right of the Employer to discharge an Executive or restricts the right of an Executive to terminate his or her employment.

8. Claims Procedure

- 8.1 If for any reason a claim for benefits under this Plan is denied by the Employer, the Plan Administrator shall deliver to the person making the claim ("Claimant") a written explanation setting forth the specific reasons for the adverse benefit determination; specific references to the Plan section on which the adverse benefit determination is based; a description of any additional material or information necessary for the Claimant to perfect the claim and an explanation of why such material or information is necessary; and a

© 2020 Northwestern Mutual is the marketing name for The Northwestern Mutual Life Insurance Company (NM), Milwaukee, WI and its subsidiaries. Client's legal counsel is authorized to use, amend and modify this sample document in his or her own practice.

description of the Plan's review procedure including a statement of the Claimant's rights to bring a civil action under Section 502 of ERISA following an adverse determination on review, all written in a manner calculated to be understood by the Claimant. For this purpose:

- (a) The Claimant's claim shall be deemed filed when presented orally or in writing to the Plan Administrator.
 - (b) The Plan Administrator's explanation shall be in writing delivered to the Claimant within 90 days of the date the claim is filed unless the Plan Administrator determines that special circumstances require an extension of time for processing the claim. If such an extension of time for processing is required, written notice of the extension shall be furnished to the Claimant prior to the termination of the initial 90-day period. In no event shall such extension exceed a period of 90 days from the end of such initial period. The extension notice shall indicate the special circumstances requiring an extension of time and the date by which the Plan Administrator expects to render the benefit determination. If the period of time is extended because the Claimant has failed to provide necessary information to decide the claim, the period for making the benefit determination shall be tolled from the date on which the notification of the extension is sent to the Claimant, until the date on which the Claimant provides the information. Failure to provide notice of decision in the time specified is the same as denial of the claim and the Claimant is entitled to require a review of the denial under the review procedures.
- 8.2 The Claimant (or his or her duly authorized representative) shall have 60 days following the receipt of the denial of the claim to file with the Plan Administrator a written request for review of the denial. For such review, Claimant shall have the opportunity to submit written comments, documents, records, and other information relating to the claim for benefits. Claimant shall be provided, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claim for benefits. The review of the claim shall take into account all comments, documents, records, and other information submitted by the Claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.
- 8.3 In the case of a request for review of an adverse benefit determination, the Plan Administrator is designated, solely for purposes of this claims procedure, as the appropriately Named Fiduciary for a full and fair review. On review, the Plan Administrator shall notify the Claimant not later than 60 days after the Company's receipt of the request for review, unless the Plan Administrator determines that special circumstances require an extension of time for processing the claim, in which case a decision shall be rendered as soon as possible, but not later than 120 days after receipt of the request for review. If such

an extension of time for review is required because of special circumstances, written notice of the extension shall be furnished to the Claimant prior to the termination of the initial 60-day period. In no event shall any such extension exceed a period of 60 days from the end of the initial period. The extension notice shall indicate the special circumstances requiring an extension of time and the date by which the Plan expects to render the determination on review. If the period of time is extended because the Claimant has failed to provide necessary information to decide the claim, the period for making the benefit determination shall be tolled from the date on which the notification of the extension is sent to the Claimant, until the date on which the Claimant provides the information. The decision on review shall be in writing and in the case of an adverse benefit determination shall include: (i) the specific reason or reasons for the decision; (ii) references to the specific Plan provisions on which the benefit determination is based; (iii) a statement that the Claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the Claimant's claim for benefits; and (iv) a statement of the Claimant's right to bring an action under Section 502(a) of ERISA, all written in a manner calculated to be understood by the Claimant. If the decision on review is not furnished within such time, the claim shall be deemed denied on review.

9. Construction and Expense

9.1 **Notices.** Any and all notices required or permitted hereunder shall be in writing and shall be delivered to the individual designated below for the recipient thereof or for such individual's attention during normal business hours to a receptionist or other person available to receive incoming deliveries at the address designated below for such recipient or sent to such recipient via facsimile or electronic mail to the facsimile number/e-mail address designated below for such recipient or by registered or certified mail, return receipt requested and postage prepaid, to the address designated below for such recipient:

To Employer: _____
Address: _____

Facsimile: () _____
Electronic Mail: _____

To Executive: _____
Address: _____

Facsimile: () _____
Electronic Mail: _____

Notices delivered as provided above shall be deemed given upon such delivery. Notices sent via facsimile or electronic mail as provided above shall be deemed given upon their successful transmission. Notices mailed as provided above shall be deemed given on the date of their deposit in the United States mail. Any party hereto may change the individual,

facsimile number, e-mail address and/or street address to which notices thereto should be given hereunder by giving notice of such change to the other party hereto in accordance with the provisions of this Section.

- 9.2 **Further Assurance.** Each of the parties hereby agrees to execute and deliver such documents and to take such other actions at any time and from time to time hereafter as may be reasonably requested by the other party to carry out the provisions or purposes of this Plan.
- 9.3 **Governing Law.** This Plan is being delivered and is intended to be performed in [*Name of State*] and shall be construed and enforced in accordance with the laws of [*Name of State*].
- 9.4 **Interpretation.** The headings in this Plan are intended for convenience only and shall not affect the meaning or interpretation hereof. In interpreting this Plan, whenever the context so permits, (a) the singular shall include the plural and the plural shall include the singular, (b) any gender shall include all genders and (c) the term "including" shall mean "including, without limitation." The word "including" shall mean "including, without limitation," and any exhibit, schedule or other document referred to herein is incorporated in this Plan and made a part hereof.
- 9.5 **Counterparts.** This Plan may be executed in two (2) or more counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument, or with multiple signature pages which may be delivered electronically.
- 9.6 **Expenses.** All expenses of administering the Plan shall be paid by the Employer unless the Plan provides to the contrary.
- 9.7 **Integration.** This Plan constitutes the entire agreement of the parties with respect to the subject matter hereof, and supersedes any and all oral, written or other negotiations, warranties, representations, agreements or other understandings in regard thereto.
